Mobile Computer Protection

The Dakota Valley School District recognizes that with the implementation of the Mobile computer initiative there is a need to protect the investment by both the District and the end user. The following outlines the various areas of protection: warranty, accidental damage protection and insurance.

Computer Vendor Warranty: This coverage is purchased by the Dakota Valley School District as part of the purchase price of the equipment. The computer vendor warrants the Mobile computers from defects in materials and workmanship. This limited warranty covers normal use, mechanical breakdown or faulty construction and will provide replacement parts necessary to repair the Mobile computer or Mobile computer replacement. The vendor warranty does not warrant against damage caused by misuse, abuse, accidents or computer viruses.

ACCIDENTAL DAMAGE PROTECTION: The Dakota Valley School District has purchased coverage to protect the Mobile computers against accidental damage such as: liquid spills, accidental drops, power surges, and natural disasters. This coverage does not provide for damage caused by fire, theft, loss, misuse, intentional or frequent damage or cosmetic damage. The hardware vendor will assess the Mobile computer damage and repair or replace the machine at no cost if the damage is determined to be accidental, infrequent, and within the protection guidelines.

INSURANCE FOR THEFT, LOSS OR FIRE: Mobile computers that are stolen, lost or damaged by fire are not covered by the Machine Vendor Warranty or the Accidental Damage Protection outlined above. Following are the three options that are available for these types of losses, and the Student/Parent must commit to one by checking the appropriate box.

No Insurance

You agree to pay for the replacement of the Mobile computer at a cost not to exceed \$995.00 should the Mobile computer be stolen, lost or damaged by fire.

Personal Insurance

You will cover the Mobile computer under your own insurance policy and in the case of a theft, loss or damage by fire, you agree to pay the District the amount received from your insurance company plus any additional amount needed to cover the Mobile computer replacement not to exceed \$995.00.

School District Protection

You choose to pay the school district an annual protection payment for coverage of theft, loss or damage by fire in the amount of \$25.00 or \$50.00 for family coverage when there are two or more children in high school using Mobile computers. The \$25.00 payment is nonrefundable.

- This protection coverage has a \$200.00 additional charge per occurrence, if loss is reported within 48 hours.
- This annual coverage begins upon receipt of the payment and ends at the conclusion of each school year.
- You must have the insurance in place PRIOR to a claim / incident.

ADDITIONAL INFORMATION: In cases of theft, vandalism and other criminal acts, a police report, or in the case of fire, a fire report **MUST be filed by the end user or parent** for the protection coverage to take place. A copy of the police/fire report must be provided to the office.

The \$200.00 additional charge is the responsibility of the student/parent and must be paid before the Mobile computer can be repaired or replaced.

INTENTIONAL DAMAGE: Users/Parents are responsible for full payment of intentional damages to Mobile computers. Warranty, Accidental Damage Protection, or School District Mobile computer Protection **DOES NOT** cover intentional damage of the Mobile computers.
