Mrs. Linda Steele

Dear Dakota Valley Residents and Businesses:

We are writing to you on behalf of the Dakota Valley Scholarship Committee. Through the wonderful support of the community, this committee has been able to raise and award over \$300,000 since 1996. All donations received go directly to the students.

The Dakota Valley Scholarship Committee is asking for your help by making a contribution to our scholarship fund. All undesignated donations received are put into the DV Community Scholarship Fund. All scholarships will be awarded to deserving graduates enrolled in college and technical schools for the coming year.

Our committee would also welcome the opportunity to work with you if you wish to establish a specific named scholarship.

Thank you in advance for your consideration. Your donation will be greatly appreciated by the class of 2021. Donations of five dollars are just as important as a larger amount. You will receive a letter acknowledging your tax-deductible contribution. All money raised this year will be awarded at the Dakota Valley High School Award Night Assembly in May this year.

Sincerely,

The Dakota Valley Scholarship Committee:

Sally Tuttle  
Talli Poulsen  
Angie Klemme  
Lynn Walker  
Jodi Hemmingsen

Please include your name/or company address below:
